RULES FOR USING THE CERTIFICATE

This Certificate may only be used during the period of its validity and provided the provisions of the standards applied for the product certification remain valid.

The Certificate may only be used as a certificate for the product specified on Pages 1 and 2. This also applies to its use in advertising, promotional and commercial materials. Unauthorised or deceptive use of the Certificate may result in its withdrawal.

It is prohibited to change, amend or overwrite the data contained in the Certificate.

The Certificate may not be used for documenting the properties of the products changed without the consent of the Engineering Test Institute in such a way that conformity with the applied standards has been affected.

Certification Body requires the holder of this Certificate to keep records of all the complaints and corrective actions relating to the products covered by this Certificate.
